

PATA 504-A

Advance Warning Area

MATCH LINE	MATCH LINE
<p>Diagram illustrating Option 1: Advance Warning Area signs installed on both sides of the road. The road is divided into three lanes by dashed white lines. A yellow solid line, labeled 'MATCH LINE', runs along the left edge. Four orange diamond signs are placed along the MATCH LINE: one at the top labeled 'RIGHT TWO LANES CLOSED' and three below it labeled 'RIGHT TWO LANES CLOSED'. Two more orange diamond signs are placed further down the road, one on each side of the MATCH LINE, labeled 'ROAD WORK'.</p>	<p>Diagram illustrating Option 2: Advance Warning Area signs installed on the right side of the road, accompanied by two PCMS (Portable Changeable Message Signs). The road has three lanes. A yellow solid line, labeled 'MATCH LINE', runs along the left edge. Four orange diamond signs are placed along the MATCH LINE: one at the top labeled 'RIGHT TWO LANES CLOSED' and three below it labeled 'RIGHT TWO LANES CLOSED'. Two more orange diamond signs are placed further down the road, one on each side of the MATCH LINE, labeled 'ROAD WORK'. Two black rectangular boxes labeled 'PCMS' are positioned on the right side of the road, aligned with the 'ROAD WORK' signs. Vertical dimensions are indicated by letters A through D and a fraction $1/3L$.</p>
Option 1 Signs Installed on the Left and Right Side	Option 2 Signs Installed on the Right Side with Two PCMS
